1 WEBSITE PURPOSE

My School Info allows the public to search and compare public schools and districts from across the State of Arkansas.

The data presented on the website is periodically updated and reflective of information submitted by schools and districts to the Arkansas Department of Education.

The site was designed for users on traditional desktops and laptops as well as users on mobile devices such as tablets or smartphones. A modern web browser such as Internet Explorer 10, Firefox, or Google Chrome is recommended. Selected data and reports can be exported to PDF, which will require a compatible PDF reader application to view. Additionally, some data can be exported to the XLSX spreadsheet file format which requires a compatible Microsoft Excel file viewer.

2 NAVIGATION

The main navigation bar is found at the top of every page in the My School Info website.

Whenever visiting the website, you begin at the “Search” page. From this page, you can search for schools and districts, or link directly to Arkansas state information and reports for the entire state of Arkansas.

The Compare button displays a list of all schools and districts which you have saved from your search results. The number of schools and districts that have been selected is displayed on the button.

The Analyzer button loads a tool which allows you to choose one or more data elements to view on a graph.

The FAQ button displays a list of all data elements available, grouped by category.

The Login button allows educators to sign in to the website. Depending on the educator’s role (Superintendent, Instructor, etc.) some values which would normally be redacted for student privacy can be viewed while signed in.

3 SEARCH

3.1 SCHOOL SEARCH

To access the school search, click “Search” on the top navigation bar. The school tab will be selected by default. Choose the type of search you wish to perform, enter your query, select any advanced filters, and then click the magnifying glass icon to search.

3.1.1 School Search Types

When searching for schools, you can search by Name, City, School District, Zip Code, County, Co-Op, Arkansas Legislative District, or Congressional District. Click the button for your desired search type.

3.1.1.1 By Name

Enter some or all of the name of the school or enter some or all of the school’s LEA number.

3.1.1.2 By City

Enter some or all of the name of the city the school is located in.

3.1.1.3 By District

Enter some or all of the name of the school district the school is part of.

3.1.1.4 By Zip Code

Enter a 5 digit zip code to display schools within 25 miles of the entered zip code.

3.1.1.5 By County

Choose a county from the list to display all schools within that county.

3.1.1.6 By Co-Op

Choose a Co-Op from the list to display all schools served by the selected Co-Op.

3.1.1.7 By Arkansas Legislative District

Choose an Arkansas Senate or Arkansas House District to display all schools that are represented by the selected legislative district.

3.1.1.8 By Congressional District

Choose a Congressional District to display all schools that are represented by the selected federal congressional district.

3.1.2 Advanced Filters

Click the arrow on the “Advanced Filters” bar to expand the Advanced Filters panel. For school searches, there are eight additional filters which can be used to limit your school results: School Letter Grade, Grades Served, Free/Reduced Lunch, Enrollment, District Graduation Rate, School Choice Participation, Composite ACT, and Student/Teacher Ratio.

The screenshot shows the "Advanced Filters" panel with a title bar and an expand/collapse arrow. It contains eight filter sections:

- School Letter Grade:** A slider with blue handles, showing a range from "A" to "F".
- Grades Served:** A green button labeled "Select grades (13)".
- Free / Reduced Lunch:** A purple slider ranging from "0 %" to "100 %".
- Enrollment:** A red slider ranging from "26" to "4,512 students".
- District Graduation Rate:** A yellow slider ranging from "0 %" to "100 %".
- School Choice Participation:** A dropdown menu currently set to "Any".
- Composite ACT:** A purple slider ranging from "0" to "36".
- Student/Teacher Ratio:** An orange slider ranging from "0:1" to "60:1".

A green "Search" button with a magnifying glass icon is located at the bottom right of the panel.

3.1.2.1 School Letter Grade

Use the slider to select a range for the School Letter Grade assigned by the Arkansas Department of Education. To select a single letter, drag both slider handles to the same letter.

3.1.2.2 Grades Served

Click “Select grades” and deselect any grades to remove schools from the search results which offer the grades which were deselected.

3.1.2.3 Free / Reduced Lunch

Use the slider to select a range of percentages which represent the number of students in the school who participate in the free/reduced lunch program.

3.1.2.4 Enrollment

Use the slider to select a range that represents the number of students enrolled at a school.

3.1.2.5 District Graduation Rate

Use the slider to select a range of percentages which represent the student graduation rate for the school's district.

3.1.2.6 School Choice Participation

Use the drop down box to choose if the search results should include any school regardless of school choice participation, just schools which participate in school choice, or just schools which do not participate in school choice.

3.1.2.7 Composite ACT

Use the slider to select a range of Composite ACT scores which represent the average composite ACT score for the school.

3.1.2.8 Student / Teacher Ratio

Use the slider to select a range of Student/Teacher ratios which represent the desired student/teacher ratio for the school.

3.2 DISTRICT SEARCH

To access the district search, click "Search" on the top navigation bar. The school tab will be selected by default. Click the "Districts" tab to switch to the district search. Choose the type of search you wish to perform, enter your query, select any advanced filters, and then click the magnifying glass icon to search.

3.2.1 District Search Types

When searching for districts, you can search by Name, City, Zip Code, County, Co-Op, Arkansas Legislative District, or Congressional District. Click the button for your desired search type.

3.2.1.1 By Name

Enter some or all of the name of the school district, or enter some or all of the school district's LEA number.

3.2.1.2 By City

Enter some or all of the name of the city the school district is located in.

3.2.1.3 By Zip Code

Enter a 5 digit zip code to display school districts within 25 miles of the entered zip code.

3.2.1.4 By County

Choose a county from the list to display all school districts within that county.

3.2.1.5 By Co-Op

Choose a Co-Op from the list to display all school districts served by the selected Co-Op.

3.2.1.6 By Arkansas Legislative District

Choose an Arkansas Senate or Arkansas House District to display all school districts that are represented by the selected legislative district.

3.2.1.7 By Congressional District

Choose a Congressional District to display all schools that are represented by the selected federal congressional district.

3.2.2 Advanced Filters

Click the arrow on the "Advanced Filters" bar to expand the Advanced Filters panel. For district searches, there are six additional filters which can be used to limit your district results: Enrollment, District Graduation Rate, Free/Reduced Lunch, School Choice Participation, Composite ACT, and Student/Teacher Ratio.

The screenshot shows the "Advanced Filters" panel with a blue header and a close button (upward arrow). Below the header are six filter sections arranged in a 2x3 grid:

- Enrollment:** A red slider bar with white endpoints, labeled "44 to 23,164 students".
- District Graduation Rate:** A yellow slider bar with white endpoints, labeled "0 % to 100 %".
- Free / Reduced Lunch:** A purple slider bar with white endpoints, labeled "0 % to 100 %".
- School Choice Participation:** A dropdown menu with "Any" selected.
- Composite ACT:** A purple slider bar with white endpoints, labeled "0 to 36".
- Student/Teacher Ratio:** An orange slider bar with white endpoints, labeled "1:1 to 44:1".

A green "Search" button with a magnifying glass icon is located at the bottom right of the panel.

3.2.2.1 Enrollment

Use the slider to select a range that represents the number of students enrolled at all schools in the district.

3.2.2.2 District Graduation Rate

Use the slider to select a range of percentages which represent the student graduation rate for the district.

3.2.2.3 Free / Reduced Lunch

Use the slider to select a range of percentages which represent the number of students in the school district who participate in the free/reduced lunch program.

3.2.2.4 School Choice Participation

Use the drop down box to choose if the search results should include any district regardless of school choice participation, districts which participate in school choice, or districts which do not participate in school choice.

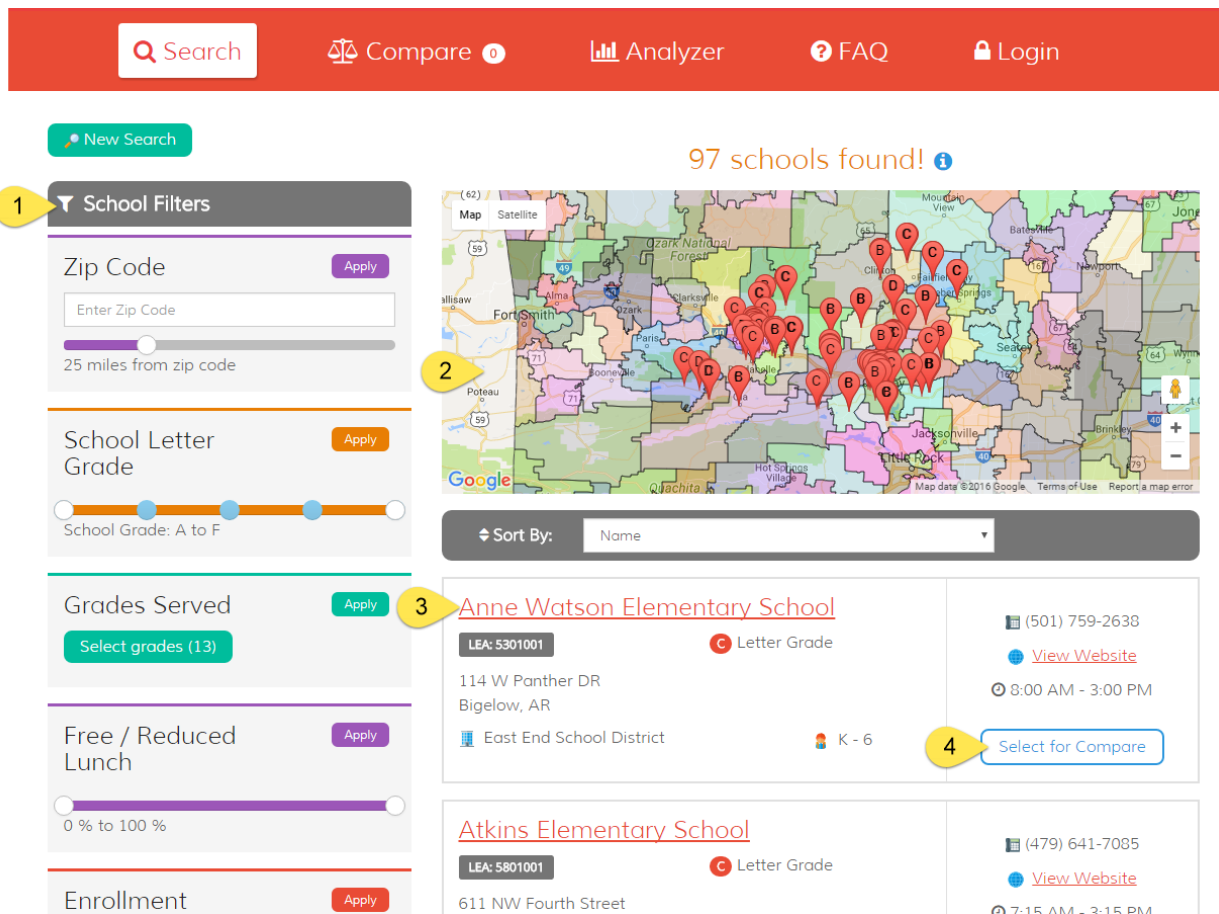

3.2.2.5 Composite ACT

Use the slider to select a range of Composite ACT scores which represent the average composite ACT score for the school district.

3.2.2.6 Student / Teacher Ratio

Use the slider to select a range of Student/Teacher ratios which represent the desired student/teacher ratio for the school district.

3.3.1 Additional Search Criteria (1)

Along the left-hand side of the screen when viewing the search results there are additional filters to further narrow the results. After adjusting one or more of the filters, click the “Apply” button to view the filtered results.

3.3.2 Map (2)

The schools or districts found will be displayed on a map at the top of the search results. Schools will include the school letter grade on the pin. The shaded areas represent each school district’s boundary. Click on a pin to view more details about the school or district. Click on a shaded area to view the name of the school district.

3.3.3 Click to view school or district (3)

Click on the name of a school or district in the search results list to view more details about the school or district.

3.3.4 Select for Compare (4)

Click the “Select for Compare” button to add a school or district to the comparison selection basket. The number at the top of the screen next to “Compare” will increase to show that the school or district has been selected. A maximum of 5 schools and 5 districts can be selected at one time. If you attempt to select an additional school or district above this maximum, an error message will be displayed.

3.3.5 Generate Report

Click the “Generate Report” button at the bottom right of the screen to go to the Statewide Reports page to display data for the schools or districts found in the search.

50 items per page

1 - 50 of 259 items

To move to a different page, click the number at the bottom for the desired page. To change how many schools or districts are visible on each page, change the value of the dropdown box next to "items per page". To view details for a school or district, click the name or LEA of the school or district.

8.3 SORTING / FILTERING

To sort the data by a specific column, click on the name of the column. The icon next to the column name will show you the column sorting status:

-  The column is not sorted
-  The column is sorted in ascending order (least to greatest)
-  The column is sorted in descending order (greatest to least)

8.4 MINIMUM / MAXIMUM / AVERAGE

If the data in a column is numeric, the minimum, maximum, and average values for that column will be displayed at the bottom below the data.

● Maximum
 ● Minimum
 ● Average

8.5 FULL SCREEN

To view the data in full screen mode, click “Toggle Full Screen”. To return to normal viewing, click the button again.

8.6 EXPORT

At the top of the screen are buttons to export the data to PDF or to XLSX (Excel spreadsheet).

8.7 EDIT REPORT PARAMETERS

To change the school year or selected data elements, click “Edit Report Parameters” to return to the report setup screen.

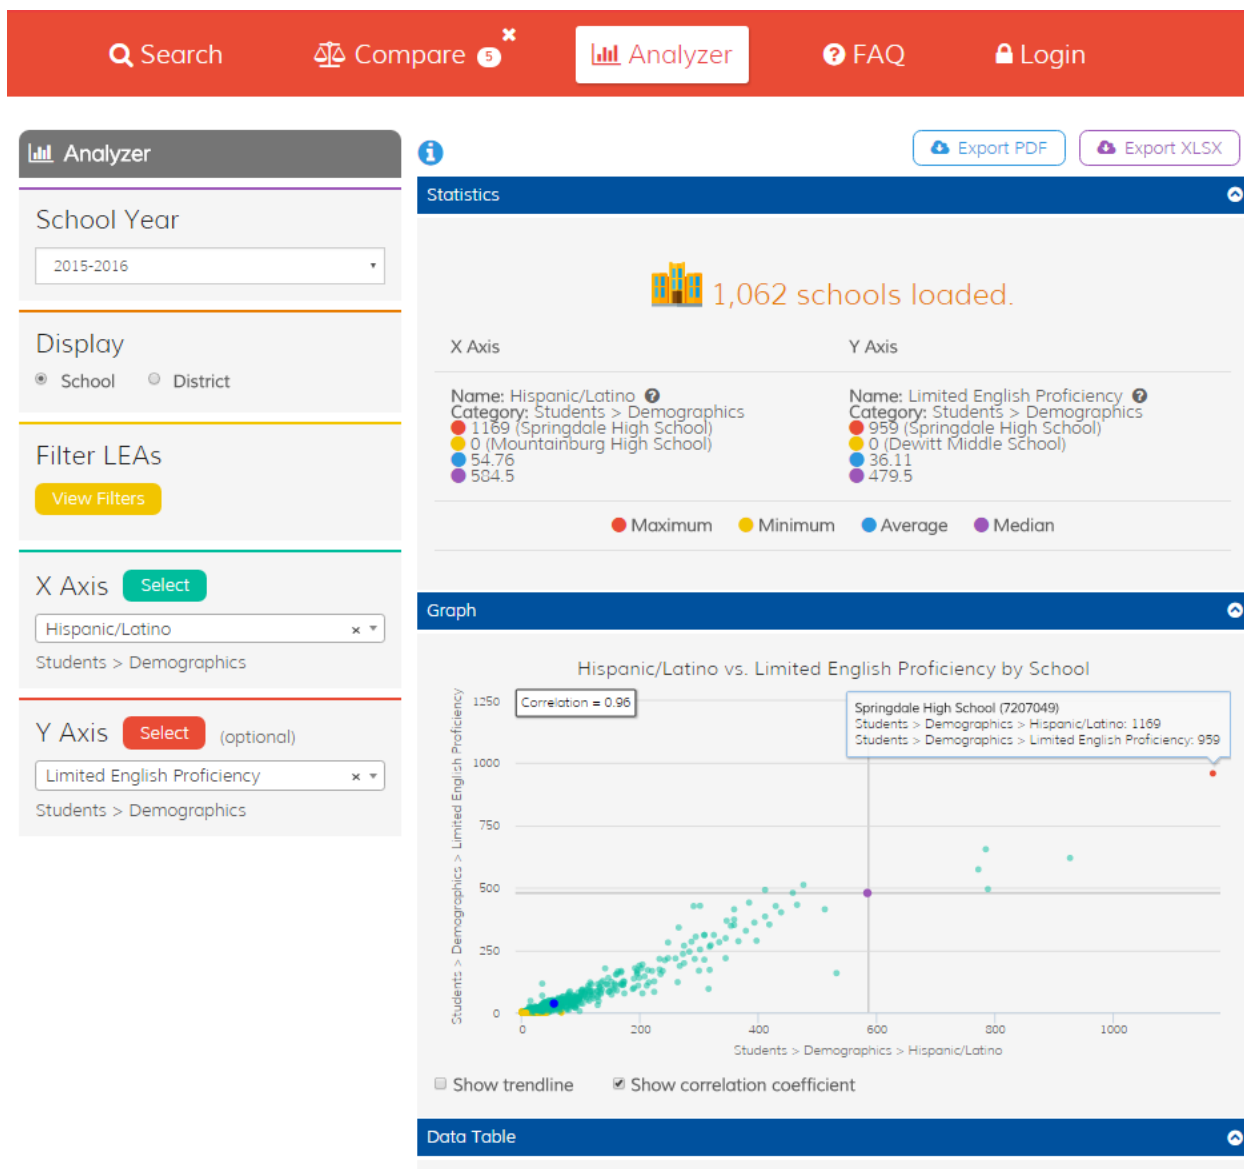

8.8 SAVED / SHARED REPORTS

When logged in, you can save a statewide report to “My Reports” for further use by clicking “Save Report”. When not logged in, you can share a report to an e-mail address by clicking “Share Report”. See [6.5 SHARE REPORT](#) or [6.6 SAVE REPORT](#) for further details.

9 ANALYZER

The analyzer tool allows you to choose two different data elements and view them on the same chart to determine possible correlations.

The left side of the page contains the parameters for the tool. The right side of the page contains three panels: Statistics, Graph, and Data Table.

9.1 SCHOOL YEAR

First, choose the school year to analyze by using the dropdown box.

9.2 SCHOOL OR DISTRICT SELECTION

Second, choose the school data set or the districts data set.

9.3 FILTERS

Next, optionally choose one or more filters to narrow the list of schools or districts in the loaded data set.

9.4 X Axis

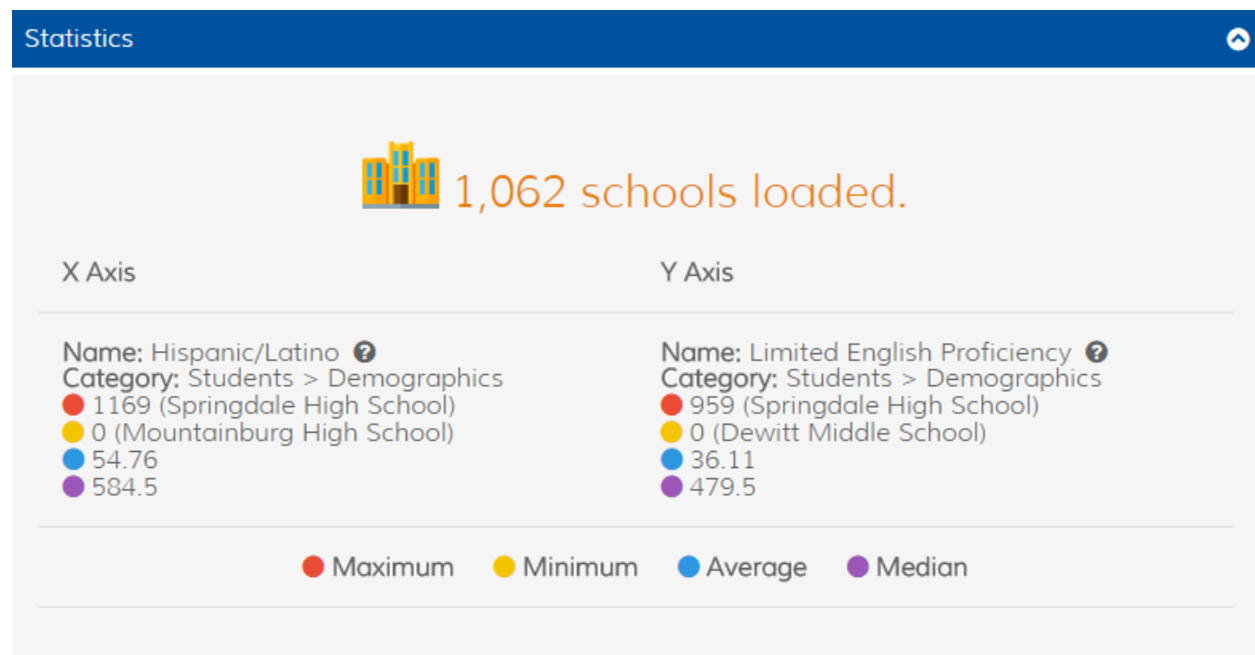

Choose the first data element to be represented on the graph. You can type the name of the element in the box, click the dropdown and search for it on the list, or click the "Select" button to browse for it in another window.

9.5 Y Axis

Choose the second data element to be represented on the graph. Follow the same steps you used to select the first data element.

9.6 STATISTICS

The statistics panel contains information about the data elements you have selected. It will display how many schools or districts were found using the current school year and filters. Each data element will display the maximum, minimum, average, and median values in the data set.

9.7 GRAPH

The graph will display a dot for each school or district in the data set at the location represented by the selected data elements. Hover your mouse pointer over a dot to display the name of the school or district and the corresponding values. The red dots denote a school or district with a maximum value; the yellow dots denote a school or district with a minimum value. The purple dot denotes the median value and the blue dot denotes the average value.

9.7.1 Show Trendline

Click "Show trendline" to toggle the trendline on or off.

9.7.2 Show Correlation Coefficient

Click "Show correlation coefficient" to toggle the Pearson Correlation Coefficient display on the chart. To view more information about this correlation, see [this article](#).

9.8 DATA TABLE

The data table panel displays the actual data for each school or district represented on the graph. To view more data than what is shown, use the "Next" button or page numbers at the bottom of the table.

Data Table ⬆		
Show <input type="text" value="10"/> entries	Search: <input type="text"/>	
School	⬇ X Axis	⬆ Y Axis
Academic Center for Excellence (4304703)	9	3
Acorn Elementary School (5706001)	5	0
Acorn High School (5706002)	11	0
Adkins Pre-K Center (6003090)		
Ahlf Junior High School (7311051)	61	19
Albert Pike Elementary School (6601014)	233	173
Alma High School (1701002)	31	3
Alma Intermediate School (1701001)	35	0
Alma Middle School (1701003)	35	0
Alma Primary School (1701004)	36	0
Showing 1 to 10 of 1,062 entries		
<div> Previous 1 2 3 4 5 ... 107 Next </div>		

9.9 EXPORT PDF

The "Export PDF" button will generate a PDF that contains the statistics, graph, and data table that is currently displayed.

9.10 EXPORT XLSX

The "Export XLSX" button will generate an Excel spreadsheet which contains two sheets. The first sheet will contain the graph and the second sheet will contain the data as displayed in the data table.

10 ARKANSAS STATE INFORMATION

The Arkansas State Information button is at the bottom of the main search page.

MY SCHOOL INFO
SEARCH • COMPARE • INFORM

My School Info allows the public to search and compare public schools and districts from across the State of Arkansas.

The data presented on this website is periodically updated and reflective of information submitted by schools and districts to the Arkansas Department of Education.

The information displayed on the Arkansas State Information page is similar to the information shown on a school or district detail page.

11 FEEDBACK / COMMENTS

At the bottom right of every page there is a feedback button if you wish to leave comments or suggestions. Please let us know what you think! Please provide your full name and email address if you would like a response.

The screenshot shows the top navigation bar with links: Search, Compare (with a notification badge), Analyzer, FAQ, and Profile. Below this is a filter section with 'Schools' and 'Districts' tabs. A search bar is present with filters for Name, City, District, Zip, County, Co-Op, ARLEG District, and Congressional District. The search bar contains the text 'Enter school/LEA' and a magnifying glass icon. Below the search bar is an 'Advanced Filters' link. To the right of the search bar is a bar chart icon.
